Plan A - HMO with Union Health Service (UHS)
Available for residents of Cook, DuPage, Kane, Lake and Will counties

The SEIU Health and Welfare Fund has contracted with Union Health Service (UHS) - a comprehensive health program which provides medical services for you and your dependents (if enrolled) at UHS facilities. It allows you to receive most of your medical care from a UHS facility with a \$10 co-pay. Preventative care is covered at no cost to you. Medical care is available 24 hours a day, seven days a week.

Union Health Service's main facility is located at 1634 West Polk Street. It is easily reached by either public transportation or car. Free parking is available. UHS also has primary care neighborhood centers and adult medical centers located throughout Chicago. Their phone number is (312)423-4200 and their website is www.unionhealth.org

Inpatient hospital care and out of state care at non UHS facilities are covered under this plan with a referral from a UHS doctor. **Services received without a referral will not be covered.** In the event of a life-threatening emergency, you can go to any facility; however, UHS must be contacted within 48 hours for services to be covered under your plan.

You will receive 3 identification cards under this plan:

- ✓ **Union Health Service ID card**
- ✓ **BC/BS ID card (to use when referred by a UHS physician)**
- ✓ **OptumRx ID card**

Plan B – PPO with Blue Cross and Blue Shield of IL

The SEIU Health and Welfare Fund has contracted with Blue Cross and Blue Shield (BC/BS) of Illinois to provide a medical option for those individuals living outside of the UHS service counties. This arrangement utilizes a network of participating doctors and hospitals to provide health care services to you and your dependents (if enrolled). Under this plan, you will access care through a BC/BS network doctor and hospital to have the lowest out of pocket costs.

Preventative care is covered at no cost to you. **Non-preventative care services has a deductible of \$750 per subscriber or child/ren and a \$1,250 per subscriber and child/ren and then the plan pays 70% of the charges and you pay 30% of the charges.** You do not need a referral to access care under this plan.
